

NEW Amino Acid Pro

NEW Amino Acid Pro - 60 caps

Use it on protocols for:

- Neurotransmitter Production for Sleep and Mental Wellness.
- Gut repair.

Leucine

- Supports brain energy and muscle repair.
- Indirectly influences neurotransmitter balance via BCAA metabolism.
- Supports gut lining repair.

Valine

- Helps regulate mood, energy, and muscle coordination.
- Supports CNS balance as a BCAA.
- Aids in tissue regeneration in the gut.

Lysine

- May reduce anxiety by modulating serotonin receptors.
- Supports collagen production for gut lining repair.

Phenylalanine

- Precursor to **tyrosine** → **dopamine, norepinephrine & epinephrine**.
- Enhances mood, focus, and alertness.

Threonine

- Critical for gut lining integrity (mucin production).
- Supports nervous system function.

Tyrosine

- Direct precursor to **dopamine & norepinephrine**.
- Improves mood, motivation & cognitive performance under stress.

Methionine

- Supports methylation → serotonin and dopamine synthesis.
- Helps detoxify the gut and maintain gut lining health.

Tryptophan

- Precursor to **serotonin** → **melatonin**.
- Crucial for sleep, mood regulation, and gut-brain axis balance.

Histidine

- Precursor to **histamine** (neurotransmitter involved in wakefulness).
- Important for gut healing and immune regulation.

Taurine

- Modulates GABA and NMDA receptors → calming, anti-anxiety effects.
- Supports bile production and gut detox.
- Helps with sleep regulation and brain homeostasis.

Recommended Dosage

2 capsules 1-3 times daily between meals.

WARNINGS:

Keep this and all medicines out of the reach of children. In case of accidental overdose, contact physician or Poison Control Center. As with any drug, if you are pregnant or nursing a baby, seek advice of a health professional before using this product. Do not use if seal is broken or missing.
