

# Bio Tox Para

Serious Salmonella - BioTox Para can nail it!  
Malaria can be easily prevented with BioTox Para, or easily handled and cured.

**Ingredients:**

This product includes Malaria nosodes in potencies of 12C, 30C, 60C, 200C, 3LM; Vibrio Cholerae at 8X, 30X, 200X, 400X, 5LM; Toxoplasma gondii across a range from 6X to 200X; Taenia Albicans at 8X, 30X, 200X; Trichinella Spiralis (indicative of Trichinosis) at 8X, 30X, 200X; alongside supportive ingredients such as Taraxacum Officinale 3X; and Cochleria 3X.

- Use prophylactically to cure and prevent cholera.
- Tinea Albicans—these white spots all over the body that are caused by parasites on the skin can easily be cured with BioTox Para.
- Contains Candida Albicans.
- Use in cases of food poisoning.
- Toxoplasmosis from house cats can be a serious problem for pregnant women but is easily fixed with BioTox Para—treat yourself and the children, and also add a few drops in water for the cat every few days a week.

**Dosage**

- **5 drops**, two or three times daily, best taken on an empty stomach. This should be continued five days a week or until there is a noticeable alleviation of symptoms.

**WARNINGS:**

It's crucial to consult with a healthcare provider before starting any new supplement regimen, particularly for those who are pregnant, nursing, or have existing health conditions.
