

Biome Skin

Biome Skin is a comprehensive 3-in-1 formula designed to support digestion, restore gut lining integrity, and promote clearer, healthier skin. By combining digestive enzymes, spore-forming probiotics, and gut-repairing herbs, this formula addresses one of the root causes of many skin issues: compromised gut health.

Ingredients:

3-in-1 Digestive Enzyme, Spore-Forming Probiotic and Gut lining support formula.

Supports clearer, healthier skin from within

- **Digestive enzymes + spore-forming probiotics + gut lining support herbs** help reduce the burden on the skin by improving digestion and supporting proper toxin elimination through the gut instead of the skin.

Enhances digestion of fats, proteins, and carbohydrates

- **Broad-spectrum digestive enzyme blend** breaks down food more efficiently, reducing undigested particles that can contribute to inflammation and skin flare-ups.

Supports gut lining repair and integrity

- **Proprietary herbal blend (mucilage and cooling herbs)** Helps soothe and repair damaged intestinal tissue, reducing "leaky gut" and improving nutrient absorption.

Promotes a balanced gut microbiome

- **C3CS spore-forming probiotic blend** introduces beneficial bacteria that survive stomach acid and support long-term gut balance and immune health.

Helps reduce food sensitivities

- **Digestive enzymes + probiotics + gut lining herbs** improve food breakdown and strengthens the gut barrier, which may reduce immune reactions to certain foods.

Supports healthy bowel movements and elimination

- **Digestive enzymes + probiotic blend** encourage regular digestion and proper waste removal, reducing toxin buildup in the body.

Reduces inflammation linked to gut-skin axis

- **Probiotics + gut-repairing herbs** help calm internal inflammation that can manifest as redness, breakouts, or irritated skin.

Improves nutrient absorption for skin health

- **Digestive enzymes + repaired gut lining** enhance absorption of key nutrients needed for skin repair, hydration, and overall radiance.

Convenient all-in-one digestive and skin support

- This 3-in-1 formula eliminates the need for multiple supplements while providing comprehensive gut and skin support.

Recommended Dosage

Our 240-capsule supply allows for adjustable dosing; one bottle should last for 2-3 or more months and takes the place of having to source these formulas individually and replace them each month.

Suggested use

*Pair this with our other Skin Naturopathics formulas for best results with skin issues.

WARNINGS:

- Do not use if the tamper-evident seal is broken or missing.
- Keep this and all medication out of the reach of children.
- Do not use if pregnant or nursing unless directed by a physician or healthcare professional.
- Store in a cool, dry place.
