

Cholest

Cholest is a professional formula designed to support healthy cholesterol levels and cardiovascular health. This advanced dietary supplement blends essential nutrients and herbal extracts, including Red Yeast Rice Extract, Guggul, and CoQ10, to support your body's natural metabolic processes and cardiovascular function.

Promotes Circulation & Energy

- Enhances blood flow for sustained vitality (Vitamin B3 / Inositol Hexanicotinate).

Cardiovascular Strength

- Supports resilient heart function (Vitamin B3 / Inositol Hexanicotinate).
- Supports balanced cholesterol levels (Phosphatidylcholine Complex).
- Supports vascular integrity and cardiovascular performance (Red Yeast Rice Extract).
- Supports vascular resilience and overall heart health (Guggul Extract).
- Supports vascular flow and nutrient delivery (Inositol Hexanicotinate).
- Hawthorn Berry Extract supports cardiovascular function and stamina.
- Curcumin contributes to healthy vascular function and smooth circulation.
- Promotes smooth circulation and cardiovascular efficiency (Policosanol Complex).

Natural Cholesterol Modulation

- Red Yeast Rice Extract contributes to maintaining healthy lipid levels.
- Vitamin B3 and Inositol Hexanicotinate promote natural cholesterol regulation without flushing.

Time-Tested Nutritional Support

- Traditional ingredients now supported by modern research (Red Yeast Rice Extract).

Lipid & Triglyceride Balance

- Guggul Extract contributes to maintaining optimal lipid metabolism.
- Policosanol Complex contributes to healthy lipid profiles.

Metabolic Efficiency & Energy Support

- Guggul Extract enhances energy metabolism and metabolic balance.

Gentle Niacin Support

- Inositol Hexanicotinate promotes energy conversion comfortably.

Fat Metabolism & Liver Support

- Phosphatidylcholine Complex aids efficient fat processing and cellular function

Cellular Integrity

- Promotes overall cell wellness and membrane stability (Phosphatidylcholine Complex).

Antioxidant Defense

- Protects cardiovascular and cellular systems from oxidative stress (Hawthorn Berry Extract).

Time-Honored Botanical Support

- Hawthorn Berry provides traditional wellness benefits now validated by research.

Cellular Energy Production

- CoQ10 enhances mitochondrial function for heart muscle and overall vitality.

Antioxidant Protection

- CoQ10 shields cells from oxidative load.

Overall Wellness Support

- Curcumin enhances systemic health including cellular, cognitive, and immune function.

Natural Antioxidant

- Curcumin protects cells from oxidative stress.
