

EndoPure Testos Male

EndoPure Testos-Male is a homeopathic formula designed to support healthy testosterone levels, endocrine balance, and male vitality. This advanced blend works on the hypothalamus-pituitary-adrenal (HPA) axis to help regulate hormone signaling, energy, and reproductive health. By combining testosterone potencies with key glandular and cellular remedies, this formula supports natural hormone production, prostate health, and overall male performance in a gentle and balanced way.

Supports healthy testosterone levels and male vitality

- **Testosterone 6C, 12C; Pituitary 6C; Hypothalamus 6C** help stimulate natural testosterone signaling and endocrine communication to support strength, libido, and overall vitality.

Enhances energy, stamina, and stress resilience

- **Adrenal 6C; Cortisol 6C; Hypothalamus 6C** support adrenal function and stress hormone balance, helping improve endurance, reduce fatigue, and maintain consistent energy levels.

Promotes prostate health and function

- **Prostate 6C; Sabal Serrulata 12C; Thuja 30C** traditionally used to support prostate tissue health, urinary function, and overall male reproductive wellness.

Supports hormonal balance and endocrine regulation

- **Pituitary 6C; Hypothalamus 6C; Adrenal 6C; Testosterone 6C, 12C** help regulate the hormonal axis responsible for testosterone production and overall endocrine stability.

Supports liver function and hormone metabolism

- **Chelidonium 12C** assists the liver in processing and metabolizing hormones, contributing to better hormonal balance and detoxification.

Promotes cellular repair and regeneration

- **DNA 6X; RNA 6X** support healthy cell function, tissue repair, and long-term vitality at the cellular level.

Supports libido and reproductive health

- **Testosterone 6C, 12C; Sabal Serrulata 12C; Prostate 6C** help maintain healthy sexual function, reproductive balance, and male performance.

Supports urinary flow and comfort

- **Sabal Serrulata 12C; Prostate 6C; Thuja 30C** traditionally used to support healthy urinary function and reduce discomfort associated with prostate imbalance.
