

MBM #12 Male Endocrine (Unresponsive)

Mind, Body, Meridian Remedy – #12 Male Endocrine Meridian/Unresponsive is a proprietary homeopathic formula designed to address imbalances in the male endocrine system, particularly associated with feelings of unresponsiveness. This remedy is part of the comprehensive Neuro-Emotional Remedies® system developed by Dr. Theresa Dale, which considers the meridian system, emotions, and overall health. It aims to support the body's natural healing processes by harmonizing the male endocrine meridians and promoting emotional balance associated with unresponsiveness.

Supports male endocrine balance and responsiveness

- **Phosphoricum Acidum** helps regulate hormonal activity and restore natural energy in the male endocrine system.
- Supports vitality, emotional responsiveness, and overall physical coordination, helping men feel more engaged and connected with their body and emotions.

Enhances nervous system support and emotional resilience

- **Kali Phosphoricum** helps relieve mental fatigue, apathy, and lack of motivation. Supports emotional stability and mental clarity, allowing men to respond more effectively to stress and daily challenges.

Promotes healthy zinc balance and reproductive function

- **Zincum Metallicum** supports endocrine and reproductive health, helping improve energy, libido, and overall male hormonal balance.
- Encourages optimal cellular function and physical responsiveness.

Calms nervous tension and improves focus

- **Gelsemium Sempervirens** reduces feelings of fatigue, mental dullness, or “shut down” responses. Helps the mind and body regain alertness, coordination, and responsiveness to emotional and physical stimuli.

Supports urinary tract and prostate function

- **Uva Ursi** promotes healthy urinary and prostate function, supporting overall male endocrine and reproductive wellness.
- Helps maintain comfort, balance, and optimal organ health.

Boosts male vitality and circulation

- **Sarsaparilla** supports physical energy, hormonal balance, and general vitality.
- Helps counteract feelings of sluggishness, low responsiveness, or lack of drive, promoting overall well-being.

Supports pituitary gland function and hormonal signalling

- **Pituitarinum Gland** enhances the body's natural hormonal communication, improving endocrine system coordination and helping restore emotional and physical responsiveness.

Provides organ-specific prostate support

- **Prostate** targets prostate health to support hormonal balance, physical responsiveness, and male reproductive wellness.
- Helps maintain comfort, energy, and overall endocrine function.

Supports testicular function and male reproductive energy

- **Orchitinum** helps regulate testicular activity and testosterone-related function, supporting energy, drive, and emotional responsiveness.

Promotes gentle detoxification and energetic balance

- **Chimaphila Umbellata** supports urinary and lymphatic drainage, aiding detoxification and energetic clearance.
- Helps prevent stagnation and supports smooth emotional and physical responsiveness.

Ingredients:

Phosphoricum Acidum, Kali Phosphoricum, Zincum Metallicum, Gelsemium Sempervirens, Uva Ursi, Sarsaparilla, Pituitarinum Gland, Prostate, Orchitinum, and Chimaphila Umbellata.

Indications:

A Hormone Saliva Test can provide insights into meridian health related to cortisol levels. For children, the dosage and repetitions should be halved. Repetitions can be reduced as this formula is potent and effective. Multiple Mind, Body, Meridian (MBM) remedies can be given each week, but compatibility should be tested. It is advised to eliminate caffeine. Testing the patient every three weeks can reveal changes in the remedy, potency, and frequency of treatment.

Recommended Dosage

5 drops once per day, 2 to 4 days per week or as indicated by testing or the label.

Recommendations

It is recommended to consult with a healthcare professional or the Wellness Center for instructions on homeopuncture if practicing acupuncture. This remedy includes drainage properties and aims to balance the meridians and associated emotions. Regular muscle testing on the client and adjustments may be necessary to optimize treatment. Please note that individual results may vary, and the information provided is not intended to replace professional medical advice or treatment.
