

MBM – #13 Female Endocrine (Unresponsive)

The Mind, Body, Meridian Remedy #13 | Female Endocrine Meridian / Unresponsive is an organ-specific homeopathic formula designed to support hormonal balance, emotional responsiveness, and feminine vitality. This proprietary blend works at a neuro-emotional level to gently release stagnation and restore overall well-being.

Restores emotional responsiveness and feminine vitality

- **Phytolacca Decandra** supports the release of emotional stagnation and energetic heaviness often associated with endocrine imbalance.
- Helps reawaken emotional flow, sensitivity, and physical responsiveness within the female endocrine system.

Supports hormonal signaling and emotional regulation

- **Pituitarium Gland** helps balance pituitary function, supporting healthy communication between hormones and emotions.
- Encourages adaptability, responsiveness, and internal hormonal harmony.

Enhances mind-body hormonal communication

- **Hypothalamus Gland** supports the connection between the nervous system and endocrine system, helping regulate emotional responses, stress patterns, and hormonal balance at a foundational level.

Eases emotional tension and hormonal mood fluctuations

- **Cimicifuga Racemosa** helps relieve emotional sensitivity, mood swings, and tension linked to hormonal shifts. Supports emotional grounding and a sense of internal calm.

Supports emotional balance and feminine emotional expression

- **Lilium Tigrinum** helps address emotional overwhelm, internal pressure, and suppressed feelings.
- Encourages emotional openness and balance within the female endocrine meridian.

Stimulates emotional engagement and energetic circulation

- **Sulphur** supports vitality, warmth, and emotional engagement, helping counter feelings of disconnection, apathy, or stagnation within the endocrine system.

Supports hormonal balance and emotional stability

- **Graphites** helps address sluggish endocrine patterns and emotional heaviness, promoting steady energy, emotional balance, and physical responsiveness.

Reduces mental fatigue and emotional burnout

- **Kali Phosphoricum** supports the nervous system during periods of emotional exhaustion, stress, and low responsiveness, helping restore mental clarity and emotional strength.

Supports emotional expression and nervous system balance

- **Causticum** helps release long-held emotional tension and supports healthier emotional expression, reducing feelings of suppression or emotional shutdown.

Builds long-term emotional stability and grounding

- **Calcarea Carbonica** supports inner security, resilience, and endocrine balance, helping women feel emotionally supported during prolonged stress or hormonal imbalance.

Promotes gentle detoxification and energetic release

- **Scrophularia Nodosa** supports lymphatic drainage and detoxification, helping clear energetic congestion and encourage smooth emotional and physical responsiveness.

Ingredients:

Phytolacca Decandra, Pituitarium Gland, Hypothalamus Gland, Cimicifuga Racemosa, Lilium Tigrinum, Sulphur, Graphites, Kali Phosphoricum, Causticum, Calcarea Carbonica, and Scrophularia Nodosa.

Indications:

A detailed Hormone Saliva Test can provide insights into meridian health related to cortisol levels. For children, the dosage and repetitions should be halved. Repetitions can be reduced as this formula is potent and effective. Multiple Mind, Body, Meridian (MBM) remedies can be given each week, but compatibility should be tested. It is advised to eliminate caffeine. Testing the patient every three weeks can reveal changes in the remedy, potency, and frequency of treatment.

Recommended Dosage

5 drops once per day, 2 to 4 days per week or as indicated by testing or the label.

Recommendations

Each remedy in the Neuro-Emotional Remedies® system represents specific acupuncture meridians, organs, glands, and corresponding emotions. They aim to balance the entire acupuncture meridian system and release resisted emotions when used as directed. The remedies are organ-specific and contain botanical ingredients with drainage properties, ensuring they have no side effects. Please note that individual results may vary, and the information provided is not intended to replace professional medical advice or treatment.
