

Meno Gel

MenoGel is an all-in-one hormone rejuvenation system designed to support hormone balance.

Supports Hormonal Balance & Optimizes Endocrine Communication

- **DHEA, pregnenolone, progesteronium, Estrogenium, estradiolinum, and testosterone 6X** work with the body's natural hormone pathways to encourage equilibrium. These ingredients help support the production and signaling of key sex hormones, promoting stable mood, steady energy, and an overall sense of wellness.
- **Pituitary, hypothalamus, pineal, ovarinum, folliculinum, oophorinum, and pituitarinum** help reinforce communication between the master glands of the endocrine system. By supporting these control centers, the formula promotes more efficient hormonal messaging, which can translate into improved rhythm, hormonal harmony, and better daily balance.

Enhances Stress Response & Builds Adrenal Strength

- **Adrenal Cortisol 6X, 8X, 30X** helps support a healthy cortisol curve, which is essential for managing stress without causing fatigue or mood imbalances. These ingredients encourage a smoother, more adaptive stress reaction.
- **Hypothalamus and Pituitary** extracts further support the body's regulatory network by influencing how stress hormones are signaled and released, helping the system stay adaptable and resilient.

Promotes Cellular Repair, Healthy Growth & Youthful Metabolic Function

- **Human Growth Hormone (HGH) 30C, 1LM, 3LM, along with IGF-I and IGF-II**, are associated with the body's natural repair and renewal processes. They support tissue recovery, cellular regeneration, and help maintain youthful metabolic activity.
- **RNA and DNA** extracts provide symbolic support for cellular blueprinting and renewal, reinforcing the body's natural ability to maintain vitality at the cellular level.

Strengthens Immune Resilience & Daily Defense

- **Thymus 6X and 30C** support the function of a key organ involved in immune signaling, helping the body maintain strong and balanced immune activity.
- Botanicals such as **Sanguinaria Canadensis, Chelidonium, Phytolacca, and Scrophularia Nodosa** have a long history of use in supporting immune strength and cleansing pathways, contributing to improved natural defense and overall robustness.

Supports Detoxification, Liver Health & Improved Lymphatic Flow

- **Liver extracts 6X and 30C** help support the body's detox and filtration processes, encouraging more efficient removal of metabolic waste and overall internal balance.
- Cleansing herbs like **Chelidonium, Phytolacca, and Scrophularia Nodosa** promote healthy lymphatic circulation, helping to reduce stagnation, support tissue renewal, and encourage a sense of lightness and clarity.

Encourages Clear, Balanced & Radiant Skin from Within

- Detox-supportive ingredients combined with **Sulphur, Sepia, Graphites, Causticum, and Calcarea Carbonica** help promote clearer skin by supporting pathways involved in inflammation, detoxification, and internal balance.
- Hormone-supporting ingredients like **Ovarinum, Folliculinum, and Progesteronium** may help minimize the internal fluctuations that often impact skin tone, texture, and clarity.

Supports Women's Wellness, Monthly Comfort & Emotional Stability

- Traditional female-support botanicals such as **Cimicifuga Racemosa 200C, Lilium Tigrinum 1M, Sepia, and Ovarinum** help support emotional balance, comfort, and a sense of groundedness throughout cyclical changes.
- These ingredients are known for promoting harmony between mood, hormones, and physical comfort, helping women feel more centered and supported.

Boosts Energy, Mental Clarity & Overall Vitality

- **L-Arginine** supports circulation and nutrient delivery, which can improve natural energy levels, stamina, and physical performance.
- Nervous-system-support ingredients like **Kali Phosphoricum 1M** help encourage mental alertness, motivation, and balanced mood, contributing to better clarity and productivity throughout the day.

Active Ingredients:

DHEA 1X, 2X, 6X, 8X, Adrenal Cortisol 6X, 8X, 30X, Human Growth Hormone 30C, 1LM, 3L, IGF-I, IGF-II 6X, 12X, 30X, Hypothalamus 6X, 15X, 30C, Pituitary 6X, 15X, 30X, Placenta 6X, 12X, 30X, Liver 6X, 30C, Thymus 6X, 30C, RNA 6X, 12X, 30X, DNA 6X, 12X, 30X, Estrogenium 6x, Estradiolinum 6x, Sanguinaria Canadensis, Oophorinum, Progesteronium, Pituitarinum, Pineal, Folliculinum, Ovarinum, Sulphur, Chelidonium, Sepia, L-Arginine, Pregnenolone, Testosterone 6x, Cimicifuga Racemosa 200C, Lilium Tigrinum 1M, Graphites 1M, Kali Phosphoricum 1M, Causticum 1M, Calcarea Carbonica 1M, Phytolacca, Scrophularia Nodosa.

Inactive Ingredients:

Water, Aloe Vera Leaf Juice Extract, Benzyl Alcohol, Ethylhexylglycerin, Tocopherol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Disodium EDTA, Sodium Hydroxide.

Recommended Dosage

For women who have ceased their menstrual cycle, apply 1-2 pumps in the morning and evening from Monday to Friday, with weekends off.

Recommendations: Avoid caffeine while using this product. Apply to the inner part of the upper forearm on clean, dry skin. As symptoms decrease, reduce the dose by adjusting the number of pumps or days used.

WARNINGS:

- Do not use if tamper-evident seal is broken or missing.
- For external use only.
- Keep out of reach of children.
- Not recommended for those under 18 years of age.
- Do not use if pregnant or nursing unless directed by a healthcare professional.
- Store in a cool, dry place.
