

Microbiome Terrain Pro

A blend of Spore-Forming Probiotics, Digestive Enzymes, and gut lining/barrier support.

C3CS Probiotic Blend (1.25 Billion CFU):

- May boost immune system function.
- Enhances digestion and nutrient absorption.
- Helps maintain a balanced gut microbiome, reducing bloating and discomfort.
- Supports gut health by promoting the growth of beneficial bacteria.

Enzyme Blend (50mg):

- **Lipase:** Facilitates fat digestion and absorption.
- **Diastase:** Breaks down starch into maltose and glucose.
- **Protease I & II:** Aids in the digestion of proteins into amino acids.
- **Cellulase:** Helps digest plant fibers, improving nutrient accessibility.
- **Amylase:** Breaks down carbohydrates into simple sugars for energy.
- **Invertase:** Breaks down sucrose into glucose and fructose for energy.
- **Lactase:** Assists in lactose digestion, reducing dairy intolerance symptoms.
- **Hemicellulase:** Aids in breaking down hemicellulose, a component of plant cell walls.

Zinc (2mg):

- Supports cell growth and repair.
- Essential for immune function and wound healing.
- Contributes to healthy skin and may reduce inflammation.

L-Glutamine (40mg):

- Promotes muscle recovery and reduces fatigue.
- Plays a role in immune system support by fueling immune cells.
- Supports intestinal lining integrity and reduces "leaky gut" symptoms.

Immunoglobulin G (from Colostrum) (75mg):

- Supports gut barrier function and reduces inflammation.
- Strengthens the immune system by neutralizing pathogens.
- Provides passive immunity and may improve overall gut health.

Gut Barrier Support Proprietary Blend:

- **Marshmallow Root:** Protects the gut lining and alleviates irritation.
- **Plantain Leaf:** Soothes digestive discomfort and reduces inflammation.
- **Aloe Vera Leaf Extract:** Supports digestive health and has anti-inflammatory properties.

Shiitake Mushroom:

- May help reduce gut inflammation, which protects the gut lining.
- Rich in polysaccharides like beta-glucans, which support a healthy immune response and promote beneficial gut bacteria.

Yun Zhi (Turkey Tail) Mushroom:

- Enhances immune function, helping maintain the integrity of the gut lining by reducing harmful bacteria or pathogens.
- Contains prebiotic fibers, such as beta-glucans, that feed beneficial gut bacteria and support a balanced microbiome.

Reishi Mushroom:

- Has anti-inflammatory properties that help calm gut inflammation, promoting a healthier gut lining.
- Supports the immune system, which plays a critical role in maintaining intestinal barrier function.
- Contains triterpenes and polysaccharides, which may aid in reducing oxidative stress in the gut, further protecting the lining.

Supplement Facts

Serving Size : 1 capsule

Serving per container: 240

Amount Per Serving	% Daily Value
C3CS Probiotic Blend 1.25 billion CFU	*
Enzyme blend	50 mg
Amylase, Protease(I & II), Lipase, Cellulase, Invertase, Lactase, Diastase, and Hemicellulase	
Zinc	2 mg
L-Glutamine	40 mg
Immunoglobulin G (from Colostrum)	75 mg
Proprietary blend of: Plantain Leaf, Marshmallow, Aloe Vera Leaf Extract, Shiitake + Yunzhi + Reishi Mushroom	260 mg
*Daily value not established.	

Other Ingredients: Non-Toxic Veggie Capsules & Rice Bran.

Hypoallergens: Contains no artificial colors, flavors, or preservatives.

Recommended Dosage

Strong support: 2 caps three times daily with meals.

Medium support: 1 cap three times daily with meals.

Low /Maintenance: 1-2 caps in the AM or PM.

Adjust your dose according to your symptoms or your wellness practitioner.

WARNINGS:

Keep out of reach of children. Store in a cool, dry place. Do not use if seal is broken.
