

Miracle Pain Gel & Patch

Miracle Pain Gel

Description:

Our water-resistant, petroleum free, particle technology infused, tension release gel can be used daily to help support body function in muscular tension release and help improve overall body structure and alignment.

Our natural gel is made with love here in the U.S.A. It is non-toxic & cruelty-free. Use this to spot treat areas with muscle tension in the body.

Ingredients:

Kosher USP glycerine, Plant Derived Cetearyl Glucoside/Phosphatidyl choline, High Mountain Beeswax with Propolis, Arnica Montana 1X - 7%, TRT particle infusion technology.

Recommended gel dosage:

Use every 6 hours as needed. | Apply topically to the back of the neck or problem area. | Use as part of your pre- and post-workout routine. | May also use right before bedtime to help support natural sleep function and recovery. Pair this with our topical patch for additional support.

Miracle Pain Patch

Description:

Dr. Dale's NEW Wearable topical patch helps release muscle tension that contributes to back, neck, and musculoskeletal pain. When worn on the back, each patch lasts one week when applied to CLEAN & DRY skin. This technology has frequency-embedded material that interacts directly with your muscular system to release and relax your muscles, allowing for improvement in overall body structure, alignment, mobility, and functionality.

Patch Application:

Each topical patch lasts about 7 days. Please apply anywhere along your back, closest to the area of tension. When applied properly to CLEAN & DRY skin, the patch is waterproof and sweat proof.
